No. 4347/55-B-4, dated 4th November 1955.

Sub:- Irrigation -South Kanara District - Construction of permanent dams in lieu of temporary dams put up by ryots - details called for-

Ref:- Government Memo No.41829/55-1 FP.II.B d/17-10-55

It is reported that altogether 41 schemes have been taken up and dealt with as shown below:-

1)	Schemes completed ..	7 Nos.
2)	Schemes sanctioned and either under execution or to be taken up for execution shortly this season ..	6 Nos.
3)	Schemes investigated and estimates submitted	8 Nos.
4)	Schemes investigated and dropped	14 Nos.
5)	Schemes investigated and for which estimates have been prepared which are under scrutiny	6 Nos.
		41 Nos.

2. Copies of the detailed statements received from the Executive Engineer, [illegible] division showing the names of the above schemes, their costs and area to be benefitted are also enclosed. The reasons for dropping the fourteen schemes are furnished in the statement No.(4). The Nileswar river scheme mentioned as item (2) in the statement was dropped as the cost involved for the scheme worked out to Rs 69,196/- and as the extent of ayacut to be benefited was only 98 acres.

Item 13. Constructing a masonry dam in S.No.120/2 of Ammunje village: This scheme has been dropped as the ayacut to be benefitted by this work is included in the Gurupur Anicut scheme sanctioned in G.O.Ms.No.355 Agriculture (F.P.) Department d/ 1-10-55.

Note for supplementaries

Sri. M. Narayanan Nambiar, M.L.A has given notice of a starred Legislative Assembly question asking (i) whether there is any scheme under consideration of the Govt. to construct small irrigational dams of a permanent nature in the place of those locally known as 'Kallas' and 'Chiras' in S.K Dt. and (ii) if so, what are the schemes ~~is~~ and when it will be executed.

2) The CE (I) has reported the stage of the 41 schemes of the type referred to (by the M.L.A.) so far taken up for consideration by the P.W.D ~~so far~~, which is as follows: -

	No.
1) Schemes Completed	4
2) Schemes sanctioned which are either under execution or are to be taken up for execution shortly this season	6
3) Schemes investigated and plans and estimates under scrutiny	14
4) Schemes investigated and dropped.	14
Total.	41

[PTO]

A statement giving the ~~name~~ names of these 41 schemes as classified above under the 4 categories is appended. The reasons for dropping the 14 schemes are broadly either ~~that~~ they were not technically feasible or ~~that~~ they were uneconomical from the food production point of view.

Please see the Legislative Assembly Question on p.1 c.f.

2. It is submitted that most of the small schemes taken up ~~and~~ or ~~are~~ being taken up in South Kanara District, under the Grow More Food Schemes and Intensive Cultivation campaign and the Special Minor Irrigation Programme, ~~are~~ are for the construction of masonry dams in place of mud dams ~~are~~ put up every year by the ryots. As the schemes coming under the above campaigns and programmes are dealt with in the Agriculture (Food Productio

Department, this may be transferred to that department for further action.

The Legislature (Assembly) Secretariat may be intimated about the transfer. Draft U.O.Note submitted.

After issue, this may be sent to A (F.P).

19/11/55 19×11

Issued as Memo No. 41829/55-1 dt. 19.10.55

fr A-D c/f

fr 19 c/f From the CE(I). letter No 4347/55-E4 dt 4.11.55.

Sri. M. Narayanan Nambiar, M.L.A, has given notice of a starred Legislative Assembly question asking (i) whether there is any scheme under the consideration of the Govt. to construct small irrigational dams of a permanent nature in the place of those locally known as 'Kallas' or 'Chiras' in S.K Dt. and (ii) if so, what the scheme is and when it will be executed.

fr 1 c/f

The CE(I) has reported that 41 schemes have so far been taken up for consideration in S.K. Dt. for the construction of permanent masonry dams in the place of temporary mud dams of which 7 have already been completed 6 schemes have already been sanctd and are likely to be taken up shortly, 8 schemes have been investigated for which estimates have been submitted, 14 schemes have been investigated and dropped and 6 schemes have been investigated and their estimates are under scrutiny. The CE(I) has also submitted detailed statements showing the particulars of estimated cost, area

fr 19 c/f
